

Masquerade Mask Template

1. Lay template on a table and secure with tape.
2. Place a sheet of saran wrap over the template and tape down.
3. Cut a sheet of tulle or sheer fabric (at least 10"x5") so that it covers entire mask and tape down over saran wrap.
4. Trace the black areas of the template with fabric paint and let dry overnight.
5. When it's dry, gently remove tulle from saran wrap and cut the mask out, including eye holes.
6. Attach ribbon to sides of the mask with fabric paint and let dry 1-2 hours.
